TWO HELD FOR "BOOTLEGGING"

Patrolman George W. Judy Saturday night arrested L. T. Leach on the charge of selling moonshine whisky, and placed him in jail. Leach's arrest was brought about by the statements of several young boys who had been arrested for being intoxicated while in an auto on the streets. Leach was already under indictment on a similar charge, but his case had been continued from the March term to the June term, on account of the absence of important witnesses.

Patrolman Judy also arrested and placed in jail a young white boy named Wesley Sapp, on a charge of having moonshine in his possession. The arrest was made on Eighth street.

Both were brought before County Judge George Batterton in the County Court yesterday morning and formally arraigned on the charges. Leach was held in \$500 bond to appear for examining trial Saturday, and Sapp in \$250 to appear at the same time.

MATRIMONIAL

A Record of Dan Cupid's Doings As The Days Go By

MUNGER-SCOTT

Calvin W. Scott and Miss Emma Munger, both of Harrison county, were married Saturday by County Judge George Batterton, in his private office in the court house. The bridegroom is a farmer, the son of Mr. and Mrs. William Scott, of near Cynthiana, and the bride is a daughter of Mr. and Mrs. Robert Munger.

HARTLEY-ULREY

Mr. and Mrs. C. J. Hartley, of Newport, former residents of Paris, have announced the marriage of their daughter, Miss Anna Mae Hartley, to Mr. Neil Ulrey, of Bethel, Ohio, the ceremony being solemnized in Newport on March 13th.

During her residence here the bride, a handsome and talented young woman, was a pupil at the Paris High School, where she made an excellent record. She was very popular with a large circle of friends who wish her a long and happily married life.

WEIGOTT-BUTLER

Friends of Mr. David H. Butler and Mrs. Mae Kimbell Weigott, both of this city, were greatly surprised to learn of their marriage (which took place on March 8, in the private office of County Judge R. S. Hawkins, of Woodford county, who officiated at the happy event. It was their intention to keep the marriage a secret for some time yet, but in some way, as with all secrets, the news came out. For the present Mr. and Mrs. Butler will make their home in Paris, but will go later on to the groom's farm near Lexington, to live.

Mr. Butler is a son of Mr. and Mrs. W. O. Butler, of Paris. The bride is a daughter of Mrs. Nannie Kimball, of near Austerlitz. For several years she was manager of the Clintonville exchange of the Cumberland Telephone Co., and later a member of the operating force at the Paris office. Both are popular young people, who have the best wishes of a large circle of friends for their future happiness.

KEYES-METCALFE

A special from New York to the Courier-Journal contains the following information of interest to many Paris and Bourbon county people:

"Plans have about been completed for the wedding of Miss Adelaide Keyes, daughter of Mr. and Mrs. William Anderson Keyes, of 375 Park avenue, this city, to George Thomas Metcalfe, a son of the late Mr. and Mrs. J. G. Metcalfe, of Morristown, N. J., and Louisville, Ky., which will take place on April 29 in the Church of the Heavenly Rest.

"Because of the recent death of Mr. Metcalfe's mother, the reception which will be held at Sherry's, will be small, only relatives and a few intimate friends being invited."

The prospective bridegroom is related to Mr. James G. Metcalfe, of Paris. After the wedding the young couple will come to Paris, where they will be guests for some time of Mr. and Mrs. Metcalfe.

IMPORTANT MEETING OF BOURBON GUN CLUB FRIDAY

A meeting of all the members of the Bourbon Gun Club is called to be held at the court house, on Friday night, March 31, at seven o'clock. The meeting will be for the purpose of getting together on a number of important matters, election of officers, hearing the report of the treasurer, and arranging for the year's business. A smoker will be one of the features of the meeting. All the members are requested to make an earnest effort to be present at this meeting.

COTTINGHAM GOES TO CHICAGO

Wayne Cottingham, formerly of Paris, and later on the reportorial staff of the Lexington Leader, was in Paris Sunday and yesterday. Mr. Cottingham, who has been night editor of the Associated Press, in Louisville, has been transferred to the Chicago office, which is news headquarters for fourteen States, and will go to the "Windy City" at the end of this week to take up his new duties. Mr. Cottingham will be succeeded at Louisville by Brown Randall, of Winchester.

TIMELY DISCOVERY BY JAILER PREVENTS PRISONER ESCAPE

A timely discovery in one of the cells at the Paris jail by Jailer Taylor, Sunday morning prevented the escape of several prisoners, which had been well-planned, and lacked only an opportune moment in which to carry out the scheme.

While on a tour of inspection, Mr. Taylor noticed what appeared to be a pile of bed springs on the floor of an empty cell in the right corridor. Upon lifting up an old piece of burlap he discovered that by means of an old angle iron and a small pile of coal, which had been smuggled in the cell, the freestone partition in the cell had been heated so that a large piece had chipped off and the stone loosened, ready for the escape of the prisoners. He made inquiry among the prisoners, and was informed by one of the boys waiting to be taken to the State Reform School that the work had been quietly done by three convicted negroes, Frank Mussinon, sentenced for life, Charles Jones and Will Warren, each sentenced to three years, at a recent term of Court, and who were waiting to be taken to Frankfort to begin their terms.

Several jail deliveries have taken place at the Paris jail in the past year, due to the unsafe condition of the stones in the cells. The grand jury at the March term of the Bourbon Circuit Court in their report to Special Judge Bailey called particular attention to this and cited the need for immediate improvements to make the keeping of prisoners a certainty.

LITTLE GIRL INJURED BY FALLING POLE

While on her way to school Friday morning, Dorothy, eight-year-old daughter of Judge and Mrs. Denis Dundon, was seriously injured when a falling telephone pole struck her, near her home on Houston avenue.

The official board of the Cynthiana of the home of Frank Remington where a man was engaged in trimming trees in the yard. A large limb from one of the trees fell across a guy wire supporting a telephone pole, pulling it down, causing the pole to fall. The cross arm at the top of the pole struck the child, knocking her down, and pinning her underneath the pole. She was picked up in an unconscious condition by neighbors, and rushed to the Massie Memorial Hospital, where an examination disclosed serious injuries on the chest, head and side. Her escape from instant death was little short of a miracle.

Reports yesterday from the Massie Memorial Hospital, stated that the injured girl was resting comfortably, and that unless complications should set in her ultimate recovery was assured.

"FADS AND FANCIES OF 1922," LEGION REVUE

When the curtain cue is flashed for the initial performance of "Fads and Fancies of 1922" at the Paris Opera House, April 5-6, the audience can expect a pleasant surprise. "Fads and Fancies" is built for amusement and entertainment. The keynote of the entire performance is "speed." It is billed as a musical revue in two acts and twelve big episodes introducing twenty-nine of the latest song hits, chiefly costumed song and dance numbers, and interspersed with an abundance of satire and comedy.

One of the prettiest song numbers in the production is the "Painted Fan," sung by Mrs. Bob Jones, and danced by Misses Gladys Farmer, Cora Lee Wilson, Ethel Mae Shanklin, Dudley Deaver, Margaret Stanten and Julia Lavin. This is a Japanese fantasy, and is worked in a full stage futuristic set.

Among the specialties is the "Duncan Sisters," vaudeville act by Misses Rebecca Collier and Sarah Bradley. The Duncan Sisters, playing in Fred Stone's show, "Tip Top," rank among the most famous stage entertainers of the day, and in "Fads and Fancies" their dancing and singing is cleverly imitated by the local pair.

BASE BALL

The contract for enlarging the grandstand, building bleachers and fencing to enclose the ball park for the local team has been awarded to Eads & Boaz. The park which was used by the Ruggles team during the 1921 season will be the home of the Blue Grass League team for this season. The work of making improvements on the grounds is well under way, and everything will be in readiness for the exhibition game to be played with the Boston Red Sox team of the National League, on Saturday, April 8.

The committee appointed to solicit funds from local merchants and "fans" of Paris for stock in the local team have been very successful in their campaign. Their efforts have met with a ready response, and as a result, the club will start on a solid financial footing, something very essential to its welfare.

A suggestion has been made that the winner of the Blue Grass League pennant, which may be either Paris, Lexington, Winchester, Mt. Sterling, Maysville or Cynthiana, arrange a post-season Kentucky championship series with the K. I. T. League, recently formed in Western Kentucky with eight clubs as members. It is considered very probable that such a series will be arranged.

While the salary limit in the new Blue Grass League does not permit the hiring of high-priced players it offers an excellent opportunity to the youngsters who need polishing up before going to the big leagues. There are dozens of good players under twenty-one throughout Central Kentucky who will get a hearing and a try-out in the new league.

Managers and club directors of the six teams in the League are being flooded with letters from ambitious ball players asking for a trial. Many of them write that they will pay their own expenses until they make good. They appreciate the fact that if they go well in this League they will be sent up to a Class B or C organization at or before the end of the season.

A number of shrewd club owners have been looking over the college candidates in the State, and expect to have the signatures of several to their contracts. Under the rulings of the Southern Intercollegiate Athletic Association college youths may play summer ball as long as the salary does not exceed \$7 per day, including expenses. The Blue Grass League will be a boon to the boys who believe they have the ability to break into fast company and want a chance to show what they can do.

Manager B. F. Goodman, of the Paris team, is one of the most conscientious and able men in the League, and what he says can be relied on. Mr. Goodman says when the Paris team is completed and put in the field it will be an aggregation that will make the Paris fans sit up and take notice. While the selection of players has not been given undue attention as yet, Mr. Goodman says Paris has its eye on some good ones, who will help Paris to take a place in the front rank.

CITY COUNCIL PROCEEDINGS

At the regular meeting of the Paris City Council, presided over by Mayor E. B. January, and a full Board present, a number of claims against the city were approved and ordered paid.

The Council elected Fred Fister, Paris, to the position of Superintendent of Public Works and Streets made vacant by the death of Thos. P. Woods.

George W. Stuart, of the firm of Stuart & O'Brien, which had a contract with Henry Bickel & Co., of Louisville, to build the concrete curbing on the streets recently made by the company, stated that through an alleged error of City Engineer Boerner they were short \$214 in their settlement with the Bickel Company, and requested the Council to have new measurements made. The Improvement Committee of the Council will take the matter up with the Bickel Company and with former City Engineer Boerner.

Through an arrangement made with the Ruggles Motor Co., the city will secure a new Ford car, with truck body, to be used by the new Superintendent of Streets and Mayor January, in traveling about the city. The price paid was \$390, plus the old police patrol.

The heirs of Thomas P. Woods, at the time of his death Superintendent of Streets and Public Works, were allowed the full salary for the month of March, this being the customary action in such cases.

MAYOR JANUARY PRESENTED WITH FLOWERS

A large basket of American Beauty roses from Mayor Lou Shanks, of Indianapolis, Ind., was delivered Saturday to Mayor E. B. January. All the Mayors of Central Kentucky towns received a similar gift, made by the Indianapolis executive, in commemoration of the Flower Show, which is an annual event in Indianapolis. The gifts were accompanied by telegraphic messages stating the object for which they were sent. Mayor January responded by telegram, assuring the Indiana Mayor of his appreciation of the floral gift.

MEMORIAL HOME PURCHASE DECIDED BY COMMITTEE

The matter of purchasing the present home of Mrs. John T. Collins at the corner of Broadway and High streets, for the proposed soldiers' memorial, was practically clinched at a meeting of the committee held in the court house, Saturday afternoon. Chairman James M. Caldwell presided.

Mr. Caldwell announced that a total of \$13,423.50, in cash and pledges, was now available for the purpose. Of this amount the sum of \$2,683.50 was taken in on the Sunday afternoon of the drive, the Bourbon County Womens Club had turned in \$1,000, and the American Legion, \$750.

By a unanimous vote of the members it was decided to complete the purchase of the property, which, as previously stated, will be used as a Community House, in which the Womens Club and the American Legion will have their headquarters. Chairman Caldwell appointed a committee to make arrangements for the legal purchase of the property, and to report at a later meeting of the general committee.
